To Whom It May Concern,

I am pleased to recommend the Zahasky Family be apart of any event seeking wonderful music and a good time.

I am the administrator and festival coordinator for the American Bald Eagle Foundation and Alaska Bald Eagle festival in Haines, AK. The Zahasky Family is a fun and energetic band that brings smiles where ever they go. They were a joy to have as participants at the 2007 Alaska Bald Eagle Festival. They enthralled the audience with their music and stories making for the best performance we have had at the festival in years. The Zahasky Family brings to the stage a talent and energy that is hard to find anywhere else.

We would be thrilled to have them back in Haines very soon to play again.

Thank you for your consideration.

Sincerely,

Christa Rayl
