

GOLDBELT
MOUNT ROBERTS
TRAMWAY

July 11, 2006

To Whom It May Concern:

It is my pleasure to recommend the Zahasky Family Band to anyone seeking a talented group of musicians to entertain guests and visitors.

I am the General Manager for Goldbelt's Mount Roberts Tramway in Juneau, Alaska and have had the pleasure of working with the Zahaskys for the past two summers. They have been a great asset to our operation and have brought an enthusiasm, coupled with genuine talent, that earns them praise from both staff and guests. The family enjoys sharing their lives and music with our guests and are articulate representatives of Alaska. During a typical summer season over 195,000 visitors pass through our doors and those of them fortunate enough to hear the Zahaskys play consistently give them excellent ratings on our customer comment cards.

I believe that any association you establish with The Zahasky Family Band will reflect well on your program's goals. Please feel free to contact me at 463-1308 if you feel I can provide additional information. Thank you for your consideration.

Sincerely,
